## Risk Disclaimer

Trading cryptocurrencies such as bitcoin and blockchain tokens such as ether carries a high level of risk, and may not be suitable for all investors. The high degree of price volatility can result in incredible losses as well as gains. Before deciding to trade cryptocurrencies or blockchain tokens you should carefully consider your investment objectives, level of experience, and risk appetite. The possibility exists that you could sustain a loss of some or all of your initial investment and therefore you should not invest using funds that you cannot afford to lose. You should be aware of all the risks associated with the trading of digital assets, and seek advice from an independent financial advisor if you have any specific concerns.
